Make a panda mask

You will need:

Scissors, card,
ice lolly stick.

Be careful or ask an adult for help when using scissors.

How to make it

- 1 Cut out the panda mask template below and glue the template to a thin piece of card.
- 2 Cut around the shape of the panda's head and ask an adult to help you cut out the eye holes.
- 3 Now glue the base of your mask to a clean ice lolly stick. This is the handle of your mask.
