# Help save the mountain gorilla poster

GO WILD

The mountain gorilla is critically endangered.  
We need your help to stop it from becoming extinct.

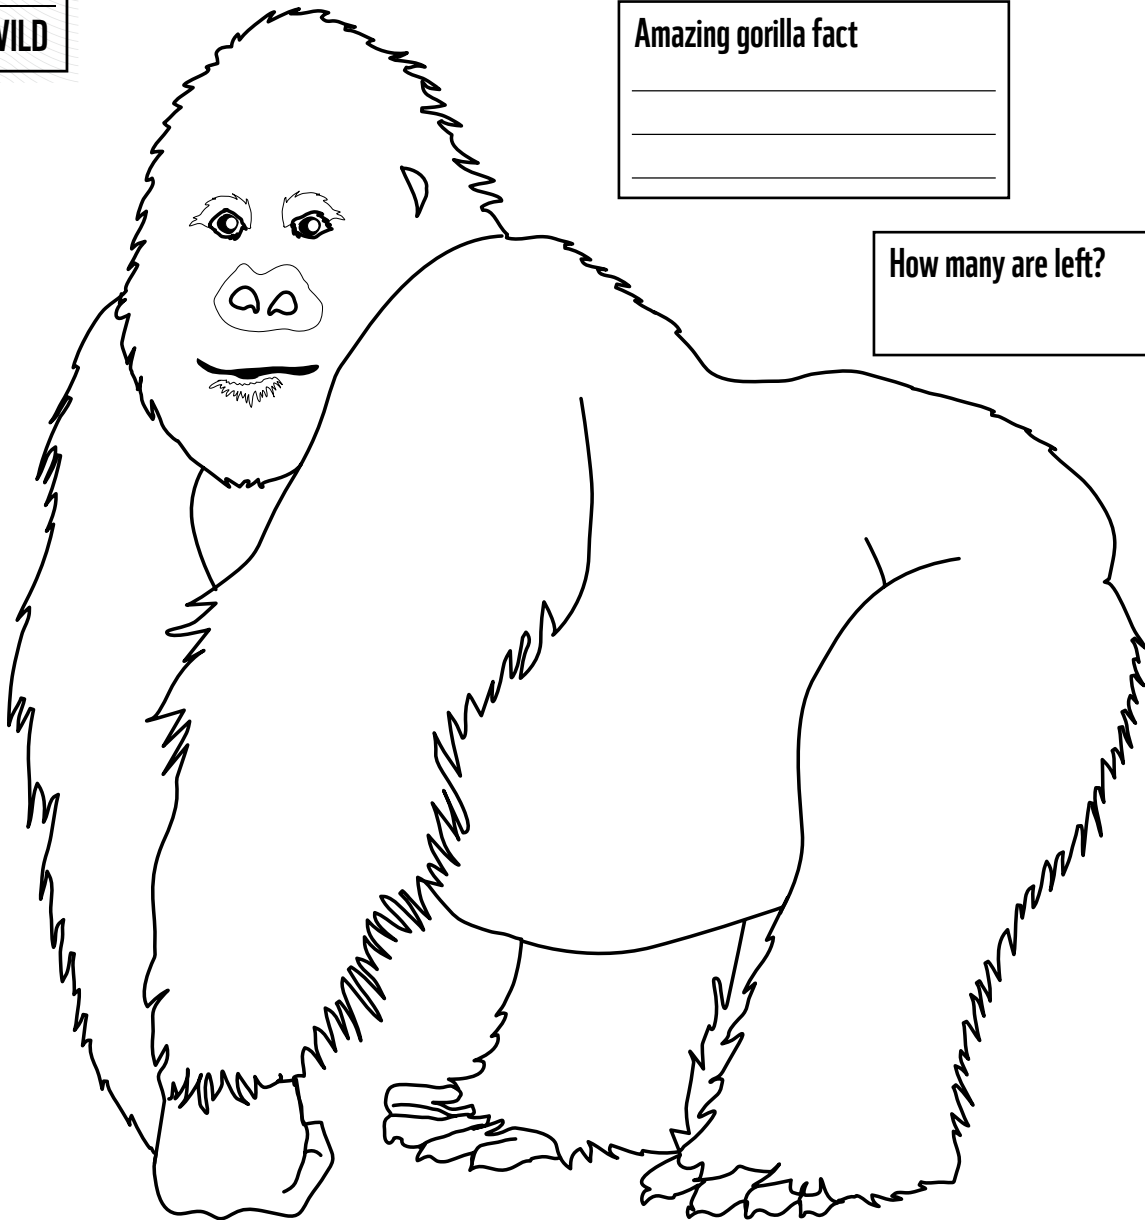

Amazing gorilla fact

---

---

---

How many are left?

What's their biggest threat?

---

---

---

Where do they live?

---

---

---

Join WWF today and you could help us to save the mountain gorilla, as well as vulnerable people, places and other species around the world [wwf.org.uk/membership](http://wwf.org.uk/membership)(for adults) [gowild.wwf.org.uk/join-us](http://gowild.wwf.org.uk/join-us) (for kids)
