

Activity sheet - Polar regions

Maisie and the polar bear

Maisie's story is a really interesting one. It shows how the way we live our lives and the things that we do, can affect what is happening in other places all over the world.

1 Can you complete the picture of this polar bear?

Activity sheet - Polar regions

Maisie and the polar bear

2 What is climate change?

3 What is one of the effects of climate change that can be seen in the Arctic?
Here is a picture to give you a clue.

4 Name an animal that lives in the Arctic, which is being affected by climate change.

5 Can you list two other animals that live in the Arctic? It might help if you have a look at the Polar fact files on the Go Wild website wwf.org.uk/gowild

A. _____

B. _____

6 Can you think of two things we can all do to help fight climate change? (Hint: what did Maisie and her family do?)

A. _____

B. _____

Story board - Polar regions

Maisie and the polar bear

Draw a picture for each part of the story.

1

Maisie loves polar bears and collects pictures of them.

2

She reads lots of books about them, and searches for facts on the WWF Go Wild website.

3

At school Maisie had a lesson about climate change.

4

She learns that there are things that she and her family can do to help.

5

Maisie and her family now switch off lights and appliances when they are not being used.

6

They also walk and cycle on shorter journeys which is much more fun than travelling by car and are going to take part in the next WWF Earth Hour (earthhour.wwf.org.uk)
