

Polar bear party

Dear _____ you're invited to my polar bear party!

Date: _____ Time: _____

Place: _____ From: _____

Polar bears depend on the Arctic ice to hunt and raise their young. But the extent of the ice is reducing every year. Help us protect them and their habitat by coming to our polar bear party. We're raising funds for WWF to help their work protecting polar bears, other threatened species and people from global threats like climate change.

I hope you can come - Please bring a donation for our polar bear pot!
